Call for Artists

General Information

The City of Federal Way's Arts Commission is hosting a Call for Artists for an Interim Sculpture Park that will be installed on the open space next to the Federal Way Transit Center (21st Avenue South and South 316th Street). The park is meant to enliven the area, infuse a cultural aspect to a mostly commercial area, and provide an opportunity for local and regional artists to exhibit their work. Artists are encouraged to visit the site, and to submit a piece or selection of pieces for consideration.

The Arts Commission will choose four to six pieces, depending on the sizes of submissions. Pieces will be on exhibition for a one year rotation. The Arts Commission will put out a Call for Artists for each subsequent rotation.

Entry Instructions

Submit your application by April 21, 2013. The application, provided below, includes a short artist's statement and information specific to the piece to be considered. Pictures of the sculptures or installations should be included as stills, .jpeg or .tiff, or on CD.

Fine Print

Installation will be performed by the artists with limited assistance from the Federal Way Parks Department (such as for anchoring, e.g.). An Artists Agreement and Loaned Art Agreement must be signed prior to installation.
