DESCRIPTION OF WORK

The Work to be performed under this Contract consists of furnishing materials, tools, labor, and other work or items incidental thereto (excepting any materials, equipment, utilities or service, if any, specified herein to be furnished by the Owner or others), and performing all Work as required by the Contract in accordance with the Contract Documents, all of which are made a part hereof.

This Contract provides for the installation of one complete new illumination system and associated improvements related to the complete installation of new street lighting system including site restorations.

The illumination system installation shall include and is not limited to an underground conduit system, wiring, foundations, junction boxes, luminaries, meters, lamps and lenses.

All work shall be performed as shown in the Plans in accordance with applicable Standard Specifications, Standard Plans, and the following Special Provisions.

The Contractor shall provide all materials necessary for the complete construction of the Project, unless such materials are furnished by the City of Federal Way.

The Contractor shall apply for electrical permits from the City Department of Community Development, Building Division to perform required electrical inspections. This request shall be made prior to the Contractor performing the work to be inspected.

The Contractor shall apply for any and all permits as required by Puget Sound Energy (PSE) and/or King County.

The Contractor shall conform to all requirements for funding from the American Recovery and Reinvestment Act (the Recovery Act).

SCHEDULE A - Base Bid.

This contract provides for the installation of a street lighting system for 20th WY S from S 324th ST to S 330th ST including the cost of all labor, materials, tools and equipment necessary or incidental to the construction of the complete illumination system and as shown in the Plans and herein specified, including excavation and backfilling for trenches, directional boring, jacking, or drilling under roadways, asphalt pavement restoration at driveways, cement concrete restoration at driveways, bases, concrete foundations, luminaire standards, junction boxes, conduit, wiring, restoring facilities damaged during construction, removing and salvaging existing materials, connecting to service, and for making all required tests. The contractor shall not include luminaire fixture costs in Total Schedule A

SCHEDULE B – HPS Luminaire – Cobra, High Pressure Sodium Vapor Fixtures

The work in this schedule includes materials, labor, and equipment for “HPS Luminaire – Cobra, High Pressure Sodium Vapor Fixture” installations.

SCHEDULE C – LED Luminaire – Light Emitting Diode Fixtures

The work in this schedule includes materials, labor, and equipment for “LED Luminaire – Light Emitting Diode Fixture” installations.

Cumulative Schedules Bidding

This Bid Proposal requires the bidder to bid cumulative Schedules as part of the bid. As such the bidder is required to submit a Base Bid (Schedule A) and a bid for each of the cumulative Schedule(s)

Bid Proposal

The bid proposal is composed of the following parts:

1. Base Bid
The base bid shall include constructing all items included in the proposal *except* those items contained in the Schedule(s) B & C.
2. Schedule(s) B & C.
 - a. Schedule B
Based on constructing HPS Luminaire – Cobra, High Pressure Sodium Vapor Fixtures
The bid items for Schedule B are as listed in the bid proposal.
 - b. Schedule C
Based on constructing LED Luminaire – Light Emitting Diode Fixtures
The bid items for Schedule C are as listed in the bid proposal.

Bidding Procedures

To be considered responsive the bidder shall submit a price on each and every item of work included in the Base Bid and all Schedule(s.)

Bid Evaluation

The successful bidder will be the bidder submitting the lowest responsible bid for preference, listed in the order below, which is within the amount of Available Funds for the project.

1. Preference 1: Lowest total for Base Bid (Schedule A) plus Schedule C.
2. Preference 2: Lowest total for Base Bid (Schedule A) plus Schedule B.

The award will be subject to the requirements of Section 1-03.
