

# FLAVOR OF Federal Way

Celebrating our diversity through food, music, dance, art and more

**August 18 | Town Square Park | 11 am-5 pm**

Dear Potential Performer:

The Federal Way Diversity Commission, Advancing Leadership, and the City of Federal Way are partnering to host the first annual "Flavor of Federal Way" multi-cultural festival. The festival is scheduled for August 18, 2018 at Town Square Park from 11:00 am-5:00 pm. Federal Way will come alive with the sights and sounds of one of the most diverse populations in the region as we celebrate the cultures and communities that make the City of Federal Way a vibrant place to live, work and play. This family-friendly, free festival will feature kid's activities, food vendors, an entertainment stage, and exhibitors sharing information about employment opportunities, health care access, financial and educational services and a variety other business resources from nonprofit organizations to area craft makers.

The goal of Flavor of Federal Way is to celebrate and experience the cultures from all over the world who reside in our region, to bring us together and help us learn about our neighbors and their heritage. It is our hope that festival guests will come away with a broader understanding and appreciation of the diverse resources, food, experiences, and opportunities available in our city.

We are currently seeking a variety of performance groups and individual performers, whose entertainment piece will demonstrate their cultural background. Performers will be asked to share how their art form represents their cultural identity and/or engage festival attendees in learning more about their heritage and cultural traditions

If you would like to apply to be a performer, please complete the attached application form and email it to [jessicac@cisfederalway.org](mailto:jessicac@cisfederalway.org). We will contact you with more information if we would like to proceed with booking you or your group for this event.

Sincerely,

City of Federal Way  
Diversity  
Commission
