

Federal Way Police Department
 Red Light/School Zone Speed Photo Enforcement (RLPE)
2022 Annual Report

The City’s RLPE program continues to be implemented at three (3) key intersections: S 312th St/Pacific Hwy S, S 320th St/Pacific Hwy S, and S 348th St/Enchanted Pkwy S (Hwy 18). The specific camera approach locations and citation issuance data are as follows:

<u>Location</u>	<u>Citations Issued</u>
SB Pacific Hwy S @ S 312 th St (FD14)	1,707
WB S 320 th St @ Pacific Hwy S (FD05)	2,164
NB Pacific Hwy S @ S 320 th St (FD12)	3,114
SB Pacific Hwy S @ S 320 th St (FD13)	5,600
SB 16 th Ave S @ S 348 th St (FD01)	852
EB S 348 th St @ Enchanted Pkwy S (FD02)	8,058

Total - 21,495

* Because 2008 and 2009 were inception/expansion years for the program, the most accurate comparison is reflected during the “fully operational” years of 2010 and later.

** The camera at S 312th St was installed at the end of 2009. # Statistics only reflect the first six months of the year

The other aspect of the RLPE program is School Zone Speed Enforcement. Three (3) school zones in the City have been equipped with radar/LIDAR and camera systems to monitor and document traffic speeds and patterns. The schools are Twin Lakes Elementary, Panther Lake Elementary, and Saghalie Middle School. The specific camera approach locations and citation issuance data are as follows:

<u>Location</u>	<u>Citations Issued</u>
EB SW 320 th St @ Twin Lakes (FD06)	2,106

* Late 2009 were when the Twin Lakes and Saghalie school zones were implemented. Panther Lake came on-line in 2010.

** Various engineering and construction projects have caused lengthy system shut downs at various sites, disrupting an accurate analysis.

***Photo Enforcement of the Saghalie School Zone was expanded to include SW Campus Drive.

Statistics only reflect the first six months of the year.

Red Light Photo Enforcement (RLPE) Intersection Collisions:

The following data compares the number of collisions occurring in all RLPE intersections prior to and after the implementation of the program.
